

Guidelines for students

- Do not come to school if you have even mild flu symptoms or fever.
- If you suspect that you have a coronavirus infection, contact the City of Turku Student Health Care number 02661570 or the Student Health Care Corona Counseling number 02662012. These numbers provide the necessary instructions for follow-up care.
- Report your suspicion of infection to your teacher.
- When you come to school, wait for your teacher outside of school. The teacher will pick you up.
- When you come in, wash or disinfect your hands.
- Avoid close contact. Adequate safety distance between the teacher and the student as well as the scholars. The recommended social distance is 2 meters.
- It is necessary to observe the distance, including in the dining area and rest.
