

Special services

FOR IMMIGRANTS

in Turun AKK

Would you like to get a professional degree and get a job in Finland?

We can help you to find the suitable education for your wishes. You can also get help with practical things such as unemployment-issues, Kela-applications, residence permit issues or finding an apartment.

If you start studying in Turun AKK, we will support you through your studies. The teaching language in Turun AKK is Finnish, so your language skills should be suitable to study in Finnish. However, we can help you with general issues and help if you face challenges in your studies.

Our counselors at your service

Our counselors are available by phone, WhatsApp, email and by videocall. You can book a time to discuss more about the available options. Booked time does not obligate you to apply to education. You can also visit our school to get to know different jobs in practice.
